

## IPC Annual Statement Report

---

Southport and Formby GP Health Federation

13/9/24

### Purpose

This annual statement will be generated each year in accordance with the requirements of the [Health and Social Care Act 2008 Code of Practice](#) on the prevention and control of infections and related guidance. The report will be published on the company website and will include the following summary:

- Any infection transmission incidents and any action taken (these will have been reported in accordance with our significant event procedure)
- Details of any infection control audits undertaken, and actions undertaken
- Details of any risk assessments undertaken for the prevention and control of infection
- Details of staff training
- Any review and update of policies, procedures, and guidelines

### Infection Prevention and Control (IPC) lead

The lead for infection prevention and control at Southport and Formby Health is Natalie Cheston (Link Nurse)

The IPC lead is supported by Abdul Zubairu (Medical Director)

#### a. Infection transmission incidents (significant events)

Significant events involve examples of good practice as well as challenging events.

Positive events are discussed at meetings to allow all staff to be appraised of areas of best practice.

Negative events are managed by the staff member who either identified or was advised of any potential shortcoming. This person will complete a Significant Event Analysis (SEA) form that commences an investigation process to establish what can be learnt and to indicate changes that might lead to future improvements.

All significant events are reviewed and discussed at several meetings each month. Any learning points are cascaded to all relevant staff where an action plan, including audits or policy review, may follow.

In the past year there have been 0 significant events raised that related to infection control. There have also been 0 complaints made regarding cleanliness or infection control.

**b. Infection prevention audit and actions**
